Memorandum

Subject: Recall 15V-002 **Date:** April 7, 2015

From: Cynthia Glass *CG*
General Engineer, RMD

To: Memo to File

On April 7, 2015, Susan Brey, Senior Legal Specialist for Robert Bosch, LLC, verified that the fuel pumps involved in the above-referenced recall campaign were specifically developed and produced for Polaris Industries. These fuel pumps were not sold to any other vehicle manufacturers.

Accordingly, all product affected by the defect has been recalled and an Equipment Query investigation is not needed.
