This notice applies to your vehicle, _____.

Date: June, 2015

Dear Mitsubishi Owner,

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

Reason for notice: Mitsubishi Motors North America, Inc. (MMNA) has decided that a defect which relates to motor vehicle safety exists in certain 2004 - 2006 Lancer, 2004 – 2006 Lancer Evolution, and 2004 Lancer Sportback vehicles. The affected vehicles are equipped with a passenger side frontal air bag inflator that may be susceptible to moisture intrusion which, over time, could cause the inflator to rupture in the event of a crash necessitating deployment of the passenger side frontal air bag. An inflator rupture could result in metal fragments striking the vehicle occupants potentially resulting in serious injury or death.

What you should do: Please contact your local Authorized Mitsubishi Motors dealer and schedule an appointment to have the passenger frontal air bag inflator replaced. When you bring your vehicle in, please show the dealer this letter. (If you misplace this letter, the dealer will still make this replacement to your vehicle, free of charge.)

To reduce the risk of injury, do not allow occupants to sit in the front passenger seat until this replacement is performed.

What your dealer will do: The dealership will replace the passenger frontal air bag inflator with a newly manufactured one.

How long will it take? The time needed for this repair is approximately **2.0 hrs.** The dealer may need your vehicle for a longer period of time due to service scheduling issues, but every effort will be made to minimize your inconvenience.

If you experience any problem having your vehicle repaired promptly and/or at no charge, please inform us by calling the Mitsubishi Customer Relations Department at **888-648-7820**. Hours: Monday through Friday 7 a.m. to 4 p.m. (Pacific Time).

If, after contacting Mitsubishi Customer Relations, you still have a problem getting this repair made promptly and/or without charge, you may submit a complaint to the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Avenue SE, Washington, D.C. 20590, or call the toll-free Vehicle Safety Hotline at 1-888-327-4236 (TTY: 1-800-424-9153), or go to <http://www.safercar.gov>.
