

Attn: Dealer Principal
General Manager
Service and Parts Managers

Your Midwest Business Center Service/Parts Team will be hosting a conference call tomorrow, December 11th at 11:00 am (Central), to provide you with an update on the N45/N46 Grand Cherokee and Jeep Liberty Rear Structural Reinforcement issue.

Please make sure to dial in to the following conference call:

Date: December 11, 2014
Time: 11:00 am (Central)
Dial In Number: 888-847-7593
Password: MidwestBC

Please note that this call is set up as listen only. There will be a formal Q & A session at the end. Your participation is important, and we ask that you arrange your schedule so that you can be on this important information sharing call.

Thank you.

Midwest Business Center Service/Parts Team
