Re: Information Request Related to Investigation PE15-018

On May 11, 2015 ODI sent an Information Request (IR) letter to Keystone RV Company (Keystone) with a response due date of June 11, 2015. On June 11, 2015 Keystone requested, and was granted, a response due date extension of June 24, 2015.

Keystone submitted a Part 573 Defect Information Report (DIR) on June 23, 2015 that resolves the issue raised by this investigation. Information to be received in Keystone's response to the May 11th letter is unlikely to help ODI better understand the issue. Keystone's DIR will be accepted in lieu of their IR response.
