**Subject:** Rusted Booster Stud Connection may Fail

Dear Mr. Lafon:

This letter serves to acknowledge Prevost Cars, Inc.'s notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

**Makes/Models/Model Years:**

PREVOST/X3-45/2006-2010

**Mfr's Report Date:** May 28, 2015

**NHTSA Campaign Number:** 15V-349

**Components:**

ELECTRICAL SYSTEM:BATTERY:CABLES

**Potential Number of Units Affected:** 314

**Problem Description:**

Prevost Cars, Inc. (Prevost) is recalling certain model year 2006-2010 X3-45 coaches manufactured January 11, 2006, to April 12, 2010. The affected vehicles have booster stud connections that may rust. As they rust, the stud may weaken and break, allowing the power cable to ground against the vehicle frame.

**Consequence:**

If the power cable electrically shorts against the frame, there would be an increased risk of a fire.

**Remedy:**

Prevost will notify owners, and dealers will install a protective box over the connection to prevent the power cable from contacting the frame if it comes loose. Any cable that is corroded will be replaced, free of charge. The recall is expected to begin July 24, 2015. Owners may contact Prevost customer service at 1-800-463-7738. Prevost's number for this recall is SR15-27.

**Notes:**

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to [www.safercar.gov](http://www.safercar.gov).

We have received Prevo's proposed owner notification letter and it is currently under review. You will be notified of any changes or concerns once our review is complete.

Please be reminded of the following requirements:

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

Your contact for this recall will be Kelly Schuler who may be reached by phone at (202) 366-5227, or by email at [kelly.schuler@dot.gov](mailto:kelly.schuler@dot.gov) or through the office email at [rmd.odi@dot.gov](mailto:rmd.odi@dot.gov). We look forward to working with you.

Sincerely,

A handwritten signature in black ink, appearing to read "Jennifer Timian". The signature is fluid and cursive, with the first name being the most prominent.
