Subject: Converter Dolly Brakes may Drag

Dear Ms. Bennett:

This letter serves to acknowledge Silver Eagle Manufacturing Company's notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

SILVER EAGLE/CTL-40W/2014-2015
SILVER EAGLE/VAST-20N/2014-2015
SILVER EAGLE/VAST-20W/2014-2015

Mfr's Report Date: June 3, 2015

NHTSA Campaign Number: 15V-362

Components:

SERVICE BRAKES, AIR

Potential Number of Units Affected: 20

Problem Description:

Silver Eagle Manufacturing Company (Silver Eagle) is recalling certain model year 2014-2015 VAST-20N, VAST-20W, and CTL-40W Converter Dollies manufactured February 6, 2014, to March 4, 2015. Due to a problem with the brake valve, the affected dollies may experience brake drag.

Consequence:

If the brakes drag on the converter dolly, the wheel end may overheat, increasing the risk of a fire.

Remedy:

Silver Eagle will notify owners, and dealers will replace the brake valve, free of charge. The recall is expected to begin in July 2015. Owners may contact Silver Eagle customer service at 1-800-547-6792.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

We have received Silver Eagle's proposed owner notification letter and it is currently under review. You will be notified of any changes or concerns once our review is complete.

Please be reminded of the following requirements:

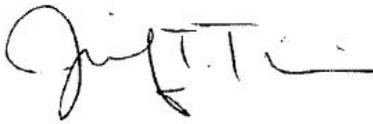

You are required to submit copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

As required in Part 573.6(c)(6), in the case of a defect, please provide a chronology of all principal events that were the basis for the determination that the defect related to motor vehicle safety, including a summary of all warranty claims, field or service reports, and other information, with their dates of receipt. Please provide this information as soon as possible.

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

Your contact for this recall will be Michelle Rice who may be reached by phone at 202-366-1060, or by email at michelle.rice@dot.gov or through the office email at rmd.odi@dot.gov. We look forward to working with you.

Sincerely,

A handwritten signature in black ink, appearing to read "Jennifer Timian". The signature is fluid and cursive, with the first name being the most prominent.
