**Subject: Failure to File Required Recall Quarterly Report**

Dear Ms. Roberts:

On March 10, 2015, we wrote to you for Dual-Tech, Inc. (Dual-Tech) and informed you that your company had not yet submitted its quarterly report for the fourth quarter of 2014 on its recall campaign. A copy of our message and its delivery receipt is enclosed with this letter. We also informed you that we are missing Dual-Tech's first and second quarterly reports.

We still have not received the requested, and required, reports. See 49 U.S.C. 30120 and 49 CFR 573.7 and 573.9.

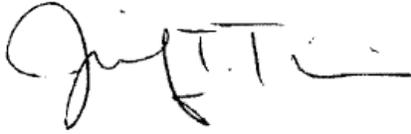

I urge your company to comply with its obligations and file these reports through its secure, online recalls account. This documentation is necessary to ensure the proper administration and progress of a safety recall designed to remove products that are defective and/or fail to meet minimum safety standards from U.S. roadways, and a serious responsibility for us both.

Continued failure to produce the required documentation may result in a referral of your company to our Office of Chief Counsel for a potential enforcement action, including injunctive relief and/or civil penalties.

Should you have any questions, please contact Kelly Schuler at (202) 366-5227 or by e-mail at Kelly.schuler@dot.gov.

Sincerely,
