Dear Freightliner Sprinter Owner,

This interim notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Daimler AG, through Daimler Vans USA, LLC ("DVUSA") had decided that a defect which relates to motor vehicle safety exists in certain Model Year 2007 – 2008 Freightliner Sprinters. The purpose of this letter is to explain what the recall is about, what DVUSA is doing to correct it, and when parts will be available.

The subject Freightliner Sprinter vehicles were equipped with passenger-side front airbags provided by the supplier TK Holdings Inc. ("Takata").

WE SENT YOU THIS NOTICE BECAUSE WE ARE CONCERNED ABOUT YOUR SAFETY.

The passenger airbag inflator housing in your vehicle may rupture, due to excessive internal pressure, during normal airbag deployment events. This condition is more likely to occur if your vehicle has been exposed to high levels of absolute humidity for extended periods of time. An inflator rupture, during airbag deployment events, could result in metal fragments striking the passenger seat occupants, the driver, or the other occupants possibly causing serious injury or death.

We are working to obtain the necessary parts to correct this condition as quickly as possible. As parts become available, we will send you another letter asking you to take your vehicle to an authorized Freightliner Sprinter dealer to have the repair conducted free of charge.

Should you have any concerns or questions regarding your passenger-side airbag before you receive the next recall letter, please contact an authorized Freightliner Sprinter dealer.

If you are no longer the vehicle owner, or have a change of address, please complete the reverse side of this letter and return the complete letter in the enclosed envelope. If this is a leased vehicle and the lessor and registered owner receive this notice, please forward this information by first class mail to the lessee within 10 days to comply with federal regulations.

If for any reason a dealer is unable to remedy your situation, we are always happy to hear from you. Please contact us at 877-762-8267 or call the toll-free NHTSA Auto Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153); or go to <http://www.safercar.gov>.

We apologize for any inconvenience this situation may cause you.

Sincerely,

Daimler Vans USA, LLC
