

How to Add the Top Tether Strap on the RECARO Performance Ride/ProRide

1. Locate the silver bar and the top tether on the back of the seat.

4. Pull the end of the top tether strap tight.

2. Take the top tether strap and make a "V" around the silver bar.

5. Feed the top tether through the loop at the end of the top tether strap.

3. Take one end of the top tether strap and feed it through the loop on the other end of the strap.

6. Pull the top tether all the way through the top tether strap and attach to the top tether anchor on your vehicle when using in Forward-Facing mode.
