RE: Recall 15V498

To Whom it May Concern:

In accordance with 49 CFR 573.6(c)(8)(ii), I am writing to inform the agency of a change to the plan for providing notice to owners. According to the original NOD, my client LGS Industries, Inc. had intended to send out owner notification letters from August 15- August 30, 2015. However, LGS is still in the process of collecting current owner identification information for all of the potentially effected trailers. LGS therefore anticipates sending out the owner notification letters from September 15 – September 30, 2015.

Please contact me if you have any questions or comments regarding this notification.

Sincerely yours,

Mark P. Miller
