15E-056

Subject: Head Lamp Intensity Requirement/FMVSS 108

Dear Bart Terburg:

This letter serves to acknowledge Osram Sylvania Products, Inc.'s notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

OSRAM/SEALED BEAM HEADLAMP/9999

Mfr's Report Date: June 26, 2015

NHTSA Campaign Number: 15E-056

Components:

EXTERIOR LIGHTING:HEADLIGHTS

Potential Number of Units Affected: 66,000

Problem Description:

Osram Sylvania Products, Inc. (Osram) is recalling certain Sealed Beam Headlamps manufactured from February 3, 2014, through June 19, 2015, with Part Numbers H5001, that fail to comply with the requirements of Federal Motor Vehicle Safety Standard No. 108, "Lamps, Reflective Devices, and Associated Equipment." The affected headlamps may not meet the minimum intensity requirements.

Consequence:

These headlamps may not provide sufficient illumination of distant objects or the roadway. Insufficient illumination could result in a vehicle crash.

Remedy:

Owners will be instructed to return affected lamps to the place of purchase for a refund or replacement. The recall is expected to begin in September 2015. Owners may contact OSRAM Sylvania Customer Service at 1C2Creplacement@sylvania.com or 1-800-648-3411.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

Under 49 U.S.C. § 30112(a), it is illegal for anyone, including a manufacturer, distributor, dealer, or retailer to sell an item of equipment or vehicle that fails to comply with all applicable Federal motor vehicle safety standards.

We have received Osram's proposed owner notification letter and it is currently under review. You will be notified of any changes or concerns once our review is complete.

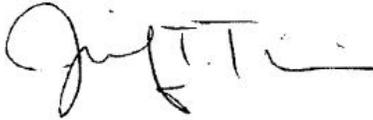

Please be reminded of the following requirements:

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

Your contact for this recall will be Kelly Schuler who may be reached by phone at (202) 366-5227, or by email at kelly.schuler@dot.gov or through the office email at rmd.odi@dot.gov. We look forward to working with you.

Sincerely,

A handwritten signature in black ink, appearing to read "Jennifer Timian".
