NHTSA Recall 15V-472

**IMPORTANT SAFETY RECALL**

This notice applies to your vehicle: XXXXXXXXXXXXXXXXXXXX

Dear \_\_\_\_\_,

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

**What is the reason for this notice?**

Honda has decided that certain 2016 model year HR-V vehicles fail to conform to the requirements of Federal Motor Vehicle Safety Standard No. 110, "Tire Selection and Rims..." There is potential that the required label, which specifies "Tire and Loading Information" shown below, was not applied to your vehicle. If the tire placard is missing, the tires may be over or under inflated, increasing the risk of a crash.

**What should you do?**

Call any authorized Honda dealer and make an appointment to have your vehicle inspected and, if necessary, apply a new label, **at no cost to you**.

Once you make an appointment for your vehicle, be advised that the complete inspection and repair time may take approximately 20 minutes; however, please ask your dealer for the specific time your vehicle will need to be at the dealership.

**Who to contact if you experience problems?**

If you are not satisfied with the service you receive from your Honda dealer, you may write to:

American Honda Motor Co., Inc.  
 Honda Automobile Customer Service  
 Mail Stop 500-2N-7A  
 1919 Torrance Blvd.  
 Torrance, CA 90501-2746

If you believe that American Honda or the dealer has failed or is unable to remedy the defect in your vehicle, without charge, within a reasonable period of time (60 days from the date you first contact the dealer for a repair appointment), you may submit a complaint to:

Administrator  
 National Highway Traffic Safety Administration  
 1200 New Jersey Ave., SE  
 Washington, DC 20590

Or call the toll-free Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to <http://www.safercar.gov>.

**What to do if you feel this notice is in error?**

Registration records indicate that you are the current owner or lessee of a 2016 Honda HR-V involved in this campaign. If this is not the case, or the name/address information is not correct, please complete and sign the Information Change Card and return it in the enclosed postage-paid envelope. We will then update our records.

**Lessor Information:**

Federal law requires that any vehicle lessor receiving this recall notice must forward a copy of this notice to the lessee within 10 days.

**If you have questions:**

If you have any questions about this notice, or need assistance with locating a Honda dealer, please call Honda Automobile Customer Service at 1-888-234-2138. U.S. customers can also locate a dealer online at [www.hondacars.com](http://www.hondacars.com). Customers in U.S. territories, please contact your local dealer/distributor.
