

August 27, 2015

Mr. Jeff Quandt, Chief
Office of Defects Investigation, NVS-213
U.S. Department of Transportation

National Highway Traffic Safety Administration (NHTSA)
Office of Defects Investigation (ODI)
Room W48-312
1200 New Jersey Avenue SE
Washington, D.C. 20590

Reference: NVS-213swm; PE15-024

Dear Mr. Quandt:

On August 26, 2015 FCA US LLC ("FCA US") submitted a full response to PE15-024. Subsequent to shipping the response, FCA US received additional responsive documents from our supplier, WABCO. This supplemental submission includes only the additional responsive WABCO documents, which should be included as part of ENCLOSURE 8 of FCA US' response to the Information Request provided yesterday.

This supplemental submission includes information believed to contain confidential business information. Thus, the information is being submitted to the NHTSA Chief Counsel's Office together with a request for treatment as confidential business information.

I apologize for any confusion created by this supplemental submission. By providing the information contained herein, FCA US is not waiving its claim to attorney work product and attorney-client privileged communications.

Sincerely,

Stephen Williams
Head of Vehicle Safety Compliance and Product Analysis
