Subject: Possible Shock when Installing Window Valance

Dear Ms. Wolfe:

This letter serves to acknowledge Triple E Recreational Vehicles's notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

TRIPLE E/LIBERO/2016
TRIPLE E/SERENITY/2016

Mfr's Report Date: September 16, 2015

NHTSA Campaign Number: 15V-578

Components:

ELECTRICAL SYSTEM:WIRING

Potential Number of Units Affected: 13

Problem Description:

Triple E Recreational Vehicles (Triple E) is recalling certain model year 2016 Libero L24CB and Serenity S24CB recreational vehicles manufactured July 17, 2015, to September 9, 2015. In the affected vehicles, there is the possibility of an electrical shock when the window valance is installed on the driver side rear of vehicle.

Consequence:

The possibility of an electrical shock increases the risk of injury.

Remedy:

Triple E will notify owners, and dealers will reroute the wiring to the overhead cabinet near where the valance is to be installed, free of charge. The recall is expected to begin in October 2015. Owners may contact Triple E customer service at 1-877-992-9906. Triple E's number for this recall is CA#8135-1.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

Please be reminded of the following requirements:

You are required to submit a draft owner notification letter to this office no less than five days prior to mailing it to the customers. Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

As required in Part 573.6(c)(6), in the case of a defect, please amend your provided chronology to include the date of the in-house inspection of quality control that resulted in the discovery of this issue.

Please be reminded that under 49 U.S.C. § 30112(a)(3), it is illegal for a manufacturer, to sell, offer for sale, import, or introduce or deliver into interstate commerce, a motor vehicle or item of motor vehicle equipment that contains a safety defect once the manufacturer has notified NHTSA about that safety defect. This prohibition does not apply once the motor vehicle or motor vehicle equipment has been remedied according to the manufacturer's instructions.

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

Your contact for this recall will be Michelle Rice who may be reached by phone at 202-366-1060, or by email at michelle.rice@dot.gov or through the office email at rmd.odi@dot.gov. We look forward to working with you.

Sincerely,
