NHTSA Recall 15V-559

## IMPORTANT SAFETY RECALL

This notice applies to your vehicle: XXXXXXXXXXXXXXXXXXXX

Dear

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

### What is the reason for this notice?

Honda has decided that a defect which relates to motor vehicle safety and emissions regulations exists in certain 2015 model year Fit vehicles. The wires inside the plug top ignition coil may overheat and melt, causing the check engine light to illuminate, the engine or fuel injection system to malfunction, or the engine may stall.

### Safety Consequence

An engine stall increases the risk of a crash.

### Emission Consequence

The ignition coil is an emission related part and therefore must comply with emissions regulations. Your vehicle may fail a state or local emissions inspection if you do not have this recall repair done.

### What should you do?

Call any authorized Honda dealer and make an appointment to have your vehicle's ignition coil(s) replaced with new ignition coil(s) of different design, **at no cost to you**.

Once you make an appointment for your vehicle, be advised that the complete inspection and repair time may take approximately 24 minutes; however, please ask your dealer for the specific time your vehicle will need to be at the dealership.

### California Owners Only:

The DMV will not renew your registration until this emissions recall has been completed. After completing the repair procedure, your dealer will give you a Vehicle Emission Recall - Proof of Correction certificate. Please make sure the dealer completes and gives you the certificate. Keep the certificate for your records as proof that the emissions recall was completed. Submit the certificate to the DMV only if the DMV requests it.

### Emission Warranty:

In order to ensure your full protection under the emission warranty provisions, it is recommended that you have your vehicle repaired as soon as possible. Failure to do so could be determined as lack of proper maintenance.

### Who to contact if you experience problems?

If you are not satisfied with the service you receive from your Honda dealer, you may write to:

American Honda Motor Co., Inc.  
Honda Automobile Customer Service  
Mail Stop 500-2N-7A

Administrator  
National Highway Traffic Safety Administration  
1200 New Jersey Ave., SE
