“This notice applies to this vehicle,

Triple E Recreational Vehicles Recall CA#8132-1

This notice is sent to you in accordance with the requirements of the National Traffic & Motor Vehicle Safety Act. Triple E Recreational Vehicles has decided that certain 2015 & 2016 Unity Motorhomes manufactured between September 2014 & September 2015 fail to conform to Federal Motor Vehicle Safety Standard

Description of Noncompliance:

The battery compartment is not sealed to the interior of the motorhome. The top angle iron used as a stop for the coach battery compartment there was no sealant put between the angle iron and the motorhome floor. Gasses from the battery may enter the motorhome when there is a negative pressure, increasing the risk of a fire.

To Have This Modification Performed:

We request your assistance to have this noncompliance issue corrected. Enclosed is the instructions to perform this recall. For reimbursement submit a warranty application form.

Labour to perform this Recall: 0.3 hrs/ per unit
