## IMPORTANT SAFETY RECALL

### INTERIM OWNER NOTIFICATION

### NHTSA RECALL 15V-573

Dear Nissan Versa Owner:

This interim notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act. Nissan has decided that a defect which relates to motor vehicle safety exists in Model Year 2007-2012 Nissan Versa vehicles. Our records indicate that you own or lease the Nissan vehicle identified by the VIN on the inside of this notice.

#### Reason for Recall

Due to a production issue, the front coil springs in certain Versa vehicles may have insufficient corrosion coating. In states where heavy concentrations of road salt are used in the winter, the front coil springs can develop corrosion over time. This can result in fracture of the spring. A fractured spring may damage the front tire and adversely affect the handling of the vehicle, increasing the risk of a crash.

In the states listed below where there is heavy use of road salt in the winter and corrosion is likely to occur, the dealers will perform the remedy outlined below.

Connecticut	Kentucky	Missouri	Rhode Island
Delaware	Maine	New Hampshire	Vermont
District of Columbia	Maryland	New Jersey	Virginia
Illinois	Massachusetts	New York	West Virginia
Indiana	Michigan	Ohio	Wisconsin
Iowa	Minnesota	Pennsylvania	

According to our records, your vehicle is currently or was previously registered in one of the states listed above.

#### What Nissan Will Do

Nissan is currently awaiting parts to remedy the affected vehicles. Nissan expects parts to be available by the end of January and will send you a second letter asking you to bring your vehicle to a Nissan dealer for the remedy at that time. This repair is free of charge for parts and labor.

#### What You Should Do

Until we send you a second letter, **if you believe there is an issue with the front coil spring in your vehicle, please bring your vehicle to the nearest Nissan dealer for service.**

If you paid to have the front coil springs replaced in your vehicle due to corrosion prior to this campaign, you may be eligible for reimbursement of the related expense once the campaign is completed on the vehicle. Please visit [www.nissanassist.com](http://www.nissanassist.com) for information and instructions for requesting a reimbursement. You may also contact Nissan via a dedicated toll free number at 1-800-867-7669.
