Subject: Leak from Low Pressure Fuel Line

Dear Mr. Lewis:

This letter serves to acknowledge Porsche Cars North America, Inc.'s notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

PORSCHE/MACAN S/2015-2016
PORSCHE/MACAN TURBO/2015-2016

Mfr's Report Date: October 29, 2015

NHTSA Campaign Number: 15V-717

Components:

FUEL SYSTEM, GASOLINE:DELIVERY:HOSES, LINES/PIPING, AND FITTINGS

Potential Number of Units Affected: 21,835

Problem Description:

Porsche Cars North America, Inc. (Porsche) is recalling certain model year 2015-2016 Macan S vehicles manufactured March 27, 2014, to October 27, 2015, and 2015-2016 Macan Turbo vehicles manufactured March 5, 2014, to October 27, 2015. The affected vehicles have a low pressure fuel line in the engine compartment that may leak.

Consequence:

A fuel leak in the presence of an ignition source increases the risk of a fire.

Remedy:

Porsche will notify owners, and dealers will install an improved low pressure fuel line, free of charge. Parts are not currently available. Porsche mailed an interim notification to owners on November 9, 2015 and will mail a second notice when parts are available. Owners may contact Porsche customer service at 1-800-767-7243. Porsche's number for this recall is AF06.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

Please be reminded of the following requirements:

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Please be reminded that under 49 U.S.C. § 30112(a)(3), it is illegal for a manufacturer, to sell, offer for sale, import, or introduce or deliver into interstate commerce, a motor vehicle or item of motor vehicle equipment that contains a safety defect once the manufacturer has notified NHTSA about that safety defect. This prohibition does not apply once the motor vehicle or motor vehicle equipment has been remedied according to the manufacturer's instructions.

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

Your contact for this recall will be Sarah Mcshane who may be reached by phone at 202-366-7401, or by email at sarah.mcshane@dot.gov or through the office email at rmd.odi@dot.gov. We look forward to working with you.

Sincerely,

Jennifer Timian
