July 2015

This notice applies to your vehicle, VIN: \_\_\_\_\_

Dear General Motors Customer:

As the owner of a 2011-2012 model year Chevrolet Cruze, your satisfaction with our product is very important to us.

This letter is intended to make you aware that some 2011-2012 model year Chevrolet Cruze vehicles equipped with a 1.8L engine may be missing a shift-cable grommet at the transmission end due to contact with engine coolant from a leaking thermostat housing. If present, you may notice an irregular or loose feel to the automatic transmission gear-selector lever. Shifting gears may be hard, and the lever could bind or could lock in one position.

**Do not take your vehicle to your GM dealer as a result of this letter unless you believe that your vehicle has the condition as described above.**

**What We Have Done:** General Motors is providing owners with additional protection for the condition described above. If this condition occurs on your 2011-2012 model year Chevrolet Cruze within 8 years of the date your vehicle was originally placed in service or 120,000 miles (193,000 km), whichever occurs first, the condition will be repaired for you at **no charge**. Diagnosis or repair for conditions other than the condition described above is not covered under this special coverage program.

**What You Should Do:** If you believe that your vehicle has the condition described above, repairs and adjustments qualifying under this special coverage must be performed by a General Motors dealer. You may want to contact your GM dealer to find out how long they will need to have your vehicle so that you may schedule the appointment at a time that is convenient for you. This will also allow your dealer to order parts if they are not already in stock. Keep this letter with your other important glove box literature for future reference.

**Reimbursement:** If you have paid for repairs for the condition described in this letter, please complete the enclosed reimbursement form and present it to your dealer with all required documents. Working with your dealer will expedite your request, however, if this is not convenient, you may mail the completed reimbursement form and all required documents to Reimbursement Department, PO Box 33170, Detroit, MI 48232-5170. The completed form and required documents must be presented to your dealer or received by the Reimbursement Department by July 31, 2016, unless state law specifies a longer reimbursement period.

If you have any questions or need any assistance, just contact your dealer or the appropriate Customer Assistance Center at the number listed below.
