

June 2015

This notice applies to your vehicle, **VIN:** _____

Dear General Motors Customer:

We have learned that your 2015 model year Chevrolet Colorado or GMC Canyon model vehicle may have a condition in which the backup alarm module was not installed to the vehicle during assembly.

Your satisfaction with your vehicle is very important to us, so we are announcing a program to prevent this condition or, if it has occurred, to fix it.

What We Will Do: Your GM dealer will install the backup alarm module. This service will be performed for you at **no charge until June 30, 2017**. After that, any applicable warranty will apply.

What You Should Do: To limit any possible inconvenience, we recommend that you contact your dealer as soon as possible to schedule an appointment for this repair. By scheduling an appointment, your dealer can ensure that the necessary parts will be available on your scheduled appointment date.

If you have any questions or concerns that your dealer is unable to resolve, please contact the appropriate Customer Assistance Center at the number listed below.
