Subject: **Price Error- OC3 Seat Mat**

Attention MINI Parts Managers,

Due to a system error, part number 52 10 9 112 567 which is associated with the OC3 Seat Occupancy Mat Recall, is currently incorrectly priced on your December Parts Price file.

Please manually adjust your price tape to reflect the below price.

Part Number	Dealer Net	MSRP
52 10 911 2567		

For claim discrepancies between the part price paid and the part price reimbursed through Warranties, please follow the standard claims appeal process.

We apologize for the inconvenience.

Best Regards,

Aftersales Market Pricing Specialist
