REVISED SERVICE BULLETIN: GL1800 #23

Dear Honda Powersports Dealer:

On December 11, several sections of S/B GL1800 #23 were revised to include information for the repair of trike conversions:

The CLAIM INFORMATION section was revised to include warranty claim templates for trike conversions.

The PARTS INFORMATION section was revised to include the part number for required Pro Honda DOT 4 Brake Fluid.

The REPAIR PROCEDURE section was revised to include procedures specific to trike conversions.

All revised information is indicated with a NEW bar adjacent to the affected text.

PARTS INFORMATION

AHM allocations of the required Pro Honda DOT 4 brake fluid are complete. Effective immediately, please order additional brake fluid (P/N 08203-0004) using normal parts ordering procedures.

Thank you for your cooperation.

Sincerely,

American Honda Motor Co., Inc.

Bradley Little

Manager, National Field Service
Motorcycle Division
