Subject: Label Missing Instruction Manual Information

Dear Mr. Galambos:

This letter serves to acknowledge Graco Children's Products Inc.'s notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

GRACO/CLASSIC RIDE/9999
GRACO/COMFORTSPORT/9999
GRACO/READY RIDE/9999

Mfr's Report Date: January 22, 2016

NHTSA Campaign Number: 15C-001

Components:

CHILD SEAT

Potential Number of Units Affected: 31,838

Problem Description:

Graco Children's Products Inc. (Graco) is recalling certain ComfortSport child restraints, model numbers 1813040 and 1794333; Ready Ride child restraints, model numbers 1924520 and 1924519; and Classic Ride child restraints, model number 1812930. These seats were manufactured between March 1, 2014, and February 28, 2015. The affected convertible child restraints are missing a statement on the affixed label that informs of location of the instruction manual. Without the notice on the fixed label, these seats fail to comply with the requirements of Federal Motor Vehicle Safety Standard No. 213 "Child Restraint Systems."

Consequence:

If the label does not inform the seat owner of the instruction manual's location, the owner may not be able to refer to it and may use the seat improperly, increasing the risk of injury to the child in the event of a crash.

Remedy:

Graco will notify the registered owners and will mail them corrected labels to affix to the child restraints. The recall is expected to begin February 22, 2016. Owners may contact Graco at 1-800-345-4109.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

Under 49 U.S.C. § 30112(a), it is illegal for anyone, including a manufacturer, distributor, dealer, or retailer to sell an item of equipment or vehicle that fails to comply with all applicable Federal motor vehicle safety standards.

We have received Graco's proposed owner notification letter and it is currently under review. You will be notified of any changes or concerns once our review is complete.

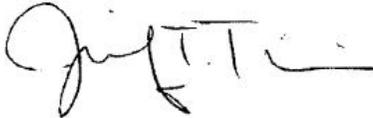

Please be reminded of the following requirements:

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

Your contact for this recall will be Kelly Schuler who may be reached by phone at (202) 366-5227, or by email at kelly.schuler@dot.gov or through the office email at rmd.odi@dot.gov. We look forward to working with you.

Sincerely,

Jennifer Timian
