Subject: Incorrect Tire Information on Labels/FMVSS 119

Dear Ms. Tobias:

This letter serves to acknowledge Starcraft RV's notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

STARCRAFT/AR-ONE/2016

Mfr's Report Date: February 12, 2016

NHTSA Campaign Number: 16V-086

Components:

EQUIPMENT:OTHER:LABELS

Potential Number of Units Affected: 21

Problem Description:

Starcraft RV (Starcraft) is recalling certain model year 2016 AR-One toy hauler trailers, model 17XTH, manufactured from October 28, 2015, through January 19, 2016. The affected trailers may be equipped with labels that indicate incorrect tire size and tire inflation information. As such, these vehicles fail to comply with the requirements of Federal Motor Vehicle Safety Standard (FMVSS) number 119, "New Pneumatic Tires-Other than Passenger Cars."

Consequence:

If the tires are replaced with ones that are of an incorrect size and pressure, the handling of the trailer may be adversely affected or tire failure may occur. Either condition increases the risk of a crash.

Remedy:

Starcraft will notify owners and will mail them corrected labels, free of charge. The recall is expected to begin February 29, 2016. Owners may contact Starcraft customer service at 1-800-945-4787. Starcraft's number for this recall is 9902260.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

Under 49 U.S.C. § 30112(a), it is illegal for anyone, including a manufacturer, distributor, dealer, or retailer to sell an item of equipment or vehicle that fails to comply with all applicable Federal motor vehicle safety standards.

We have received Starcraft's proposed owner notification letter and it is currently under review. You will be notified of any changes or concerns once our review is complete.

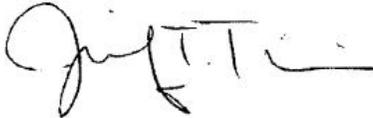

Please be reminded of the following requirements:

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

Your contact for this recall will be Kelly Schuler who may be reached by phone at (202) 366-5227, or by email at kelly.schuler@dot.gov or through the office email at rmd.odi@dot.gov. We look forward to working with you.
