To: All BMW Parts and Service Managers

Re: SI B65 11 15 15V-318 Driver Front Air Bag Module (Final Repair)

BMW NA has begun receiving a **very limited quantity** of Driver Front Air Bag Modules. These parts will be shipped out for our customers in loaners and rentals for E46, E39 and E53 vehicles model year 2002-2006 mentioned in SI B65 11 15 (SIB posted soon). The orders have been placed VIN specific and should arrive at your dealer tomorrow.

Please ensure these air bag modules are used on the VIN specified in the PO only, last seven of VIN plus AB (i.e. VX12345AB).

Beginning early August, the amount of parts will increase in our inventory. A customer mailing will be sent at this time to customers residing in High Absolute Humidity areas such as Alabama, California, Florida, Georgia, Guam, Hawaii, Louisiana, Mississippi, Puerto Rico, Samoa, Texas, US Virgin Islands, Saipan and South Carolina as per the NHTSA requirements.

We will send an updated DCS with the ordering procedure at that time.

Thank you,
Parts Logistics
