

IMPORTANT SAFETY RECALL INFORMATION

Your %%CS_VehicleModel%% is identified as part of the Takata Airbag Recall.

Dear %%Customer_First_Name%% %%Customer_Last_Name%%,

Our records indicate that your %%CS_VehicleYear%% %%CS_VehicleModel%% with VIN %%CS_VehicleVIN%% is part of the Takata Airbag safety recall.

Your safety is our top priority and we urge you to visit your local Mitsubishi dealer and have this important recall repair completed to your %%CS_VehicleModel%%. In the event of an accident resulting in passenger side frontal airbag deployment, there is a risk that the inflator can rupture. An inflator rupture can result in metal fragments striking the vehicle occupants causing serious injury or death.

Keep you and your family safe by having a new airbag inflator installed. Please note that repairs take about two hours. In some instances, the dealer may need longer; if this is the case, every effort will be made to minimize your inconvenience, including providing a loaner or rental car. For more information regarding this recall notification [click here](#) or call 888.648.7820.

To schedule a service appointment to have this recall performed at no charge, please contact your [local dealer](#).

Thank you for your attention to this matter,
