Mfr's Report Date: October 18, 2016

NHTSA Campaign Number: 16V-761

Components:

EQUIPMENT:RECREATIONAL VEHICLE

Potential Number of Units Affected: 671

Problem Description:

Entegra Coach (Entegra) is recalling certain model year 2016-2017 Cornerstone and Anthem motorhomes manufactured April 7, 2015, to August 18, 2016. The affected vehicles are equipped with a Tempurpedic Sealy Mattress that may burn quickly when on fire. As such, these vehicles fail to comply with the requirements of Federal Motor Vehicle Safety Standard (FMVSS) number 302, "Flammability of Interior Materials."

Consequence:

If the mattress burns quickly, a vehicle occupant may not have enough time to exit the vehicle in the event of a fire, increasing the risk of injury.

Remedy:

Entegra will notify owners, and dealers will replace the Tempurpedic Sealy Mattress with a Sleep Number Mattress, free of charge. The recall is expected to begin November 18, 2016. Owners may contact Entegra customer service at 1-800-517-9137. Entegra's number for this recall is 9903329.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

Under 49 U.S.C. § 30112(a), it is illegal for anyone, including a manufacturer, distributor, dealer, or retailer to sell an item of equipment or vehicle that fails to comply with all applicable Federal motor vehicle safety standards.

We have received Entegra's proposed owner notification letter and have approved it for distribution.

Please be reminded of the following requirements:

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

As required in Part 573.6(c)(7), in the case of a noncompliance, please provide the dates of the test results and other information used to determine the existence of the noncompliance.

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.
